THIS IS AN APPLICATION FOR CREDIT. On behalf of the applicant, I agree that Corbis retains the sole discretion over all decisions with respect to the extension or continuation of credit, and nothing in this Credit Application constitutes a guarantee that Corbis will provide credit, services, or any products or licenses to the applicant. By use of a credit account with Corbis, the applicant accepts the then-current Terms & Conditions of any Corbis Content Delivery Agreement or License Agreement included with any invoice, and Corbis' terms shall not be amended or superceded by any terms and conditions or purchase order that the applicant may provide even if Corbis signs such purchase order. The applicant agrees to pay a monthly finance charge of the maximum applicable rate on all past due balances, and all costs of collection and litigation on this account. Please retain a copy of this application for the applicant's records.

I understand and agree that even though I am not applying for credit:

- Corbis may access and use the personal information about me in a credit report held by a credit reporting agency, in connection with the applicant's application for credit with Corbis, for the purposes of Corbis assessing the applicant's application for credit and/or to make a decision whether to accept me as a guarantor for the applicant's credit and/or to collect any overdue payments to be made by the applicant under its credit arrangement with Corbis; and
- personal information about me may be disclosed to a credit reporting agency, in the course of Corbis assessing the applicant's application for credit. This may occur because I have offered to act as guarantor in respect of the applicant's application for credit. In certain circumstances, information about any overdue payments to be made by me under any guarantee I give in respect of the applicant's application for credit may also be disclosed to a credit reporting agency.
